

Self-Storage Association of Michigan Michigan Business Tax Survey

Please return via fax to 586.752.6539

- 1.) Compared to the Single Business Tax (SBT), the Michigan Business Tax (MBT) is:
 - More complicated
 - Less complicated
 - About the same

- 2.) Compared to the SBT, will your tax burden under the MBT be:
 - Higher
 - Lower
 - About the same

- 3.) If your tax burden is going to be higher, which segmentation reflects this increase?
 - 0-50%
 - 51-100%
 - 101-200%
 - 201-300%
 - Over 300%

- 4.) If you are going to experience an increase in your tax liability, which of the following best describes how you will react?
 - Layoff employees
 - Delay or cancel wage/salary increases
 - Delay or cancel capital investment
 - Move or cancel Michigan location/expansion
 - Absorb the cost

- 5.) Taking into account all aspects of your business overall as compared to the SBT with the MBT in place, are you:
 - Better off
 - Worse off
 - About the same

6.) Additional comments
