## **NEW MICHIGAN LIEN LAW INFORMATION!!!**

Thank you all who participated in the conference call this morning regarding Public Act 177 that went into immediate effect this week. If you were not able to participate, the staff is working hard to get as much information and documents readily available for the membership at [www.selfstoragemichigan.org](http://www.selfstoragemichigan.org) no later than Monday afternoon.

In an effort to make these documents a "Members Only Benefit" you will need to enter a user ID and password to view the information that SSAM has prepared for you! From the SSAM home page you will need to click on **Industry Member**, the lead story is **New Michigan Lien Law Now in Effect**, at the bottom of the second paragraph click **Continue Reading** which is where you will need to enter the following log in information:

User ID: SSAM  
Password: member

If you previously purchased the SSAM Rental Agreement in a pack or CD you will receive a new updated version at no cost to you once they have been updated and printed. In the mean time there is an amendment to the rental agreement that will be available in the materials that will be posted on the website.

If you have any problems viewing this information anytime after Monday, December 21<sup>st</sup>, please contact Stephanie Ford at (888)308-7726 ext. 17.

For those of you who missed the telephone conference, you will want to join us in January at the Winter Seminar as there will be a more detailed presentation on Public Act 177. See seminar information below.

### **SSAM 2010 Winter Seminar**

Tuesday, January 26, 2010 the "SSAM 2010 Winter Seminar" will be held at the Okemos Conference Center from 9:00 a.m.– 3:30 p.m. featuring well-known industry expert, **Tom Litton of Litton Management & Consulting, Inc.** Also, on the agenda is SSAM President, Jon Hutto will conduct our **Annual Meeting** which will include a short report to the membership on the status of SSAM.
